## 1. 12 Months Membership

You can pay for your membership upfront for a full 12 months. This will entitle you to use the facilities on offer at the particular location you are joining. However, you will not be able to access some specialised classes which will require the payment of a fee. Details about these classes will be available at the reception desk.

## 2. Renewal of a 12 Months Membership

You will be notified in advance by letter or email that your membership is due to expire.

## 3. Cancellation of a 12 Months Membership

If a membership is not renewed before its specific renewal date then it is deemed to have lapsed and you will not be allowed access to any of the club's facilities without payment.

## 4. Please note that the Ben Dunne Gyms only accepts payment for 12 Month membership by Credit Card, Debit Card or Bank Draft. No cash is accepted.

Monthly Direct debit is only available at certain times. On selecting the Monthly Direct Debit payment option for membership a member will be asked to pay a Initiation Fee of €35 and the first months membership in advance by way of credit or laser card.
